

Cascades East

Guidelines for Photographers

Cascades East is a quarterly magazine focused on recreation and adventure in central and eastern Oregon. You'll find a new issue of *Cascades East* at the change of each season: winter, spring, summer and fall. Because we are seasonal, we are always looking one season - and often one year - in advance for story ideas.

We are looking for stunning, interesting and edgy photography that helps illustrate recreation and adventure in central and Eastern Oregon: the places, the people and the wildlife. We will be issuing a request for stock images each season. If you would like to be on that email list, please send your email address to ads@cascadeseast.com.

Of note: We consider recreation to cover a wide range of activities, from the extreme to the sublime. From snow sports to stargazing, in the wilderness or on the town, *Cascades East* is the magazine for locals and visitors who are looking for adventure, entertainment, respite, thrills and inspiration.

If you have photographs you would like us to consider, please send a contact sheet to Valerie Clark, managing editor, *Cascades East* magazine, 404 NE Norton Avenue, Bend, OR 97701. Please include your name on the contact sheet. We can also accept low resolution jpegs; send to ads@cascadeseast.com. WE DO NOT ACCEPT ORIGINAL SLIDES UNLESS SELECTED FOR PUBLICATION. Final photo assignments need to be original slides or 300 dpi tiff files (CMYK) on a CD, unless otherwise negotiated in advance. Please submit contact sheet with final submission.

Payment for photographers will be negotiated on a per-case basis. All editorial material is protected by copyright. Cascadia Magazine Company retains the right to reprint photos/editorial material for promotional use, with credit given.
